

# HYWAX @ IN-COSMETICS GLOBAL 2022

## in-cosmetics® global

Hywax and Ceresine participate at In-cosmetics Global 2022 in Paris, Port de Versailles.

After such a long time, we are finally welcoming again customers and visitors.

Hywax is the technological leader of the hydrofinishing process, offering a wide range of wax products of a superior quality for the personal care and cosmetic industries. State of the art technology meets the pureness of nature to offer the highest quality waxes.

Ceresine is the European leader in beeswax refining and all natural waxes, supplying the most important cosmetic brands worldwide.

For more info visit [Hywax](#) and [Ceresine](#) websites and get in touch with a wax specialist.
